Well, it's Aoki Uno here!

Thank you for getting your hands on this booklet. ~~~

This time I'm writing this by hand. I'm keeping it real.
So far this issue has been swarmed with nothing but high school girls.
I like 'em. I love 'em.

Well, anyway. So what is this booklet about again?
At first glance it seems like an original, but,
just look at the annoying drawing on the next page. (rough)
So it actually ended up being a wacky selfish booklet,
but please let me get away with it for a little while. ♪ It's summer after all ♪

Let's go hunting!!
...so yeah, it's Hunter!!
I'm a Hunter Hunter!! Yikes!
I'm just a beginner, but it's fun...!

The equipment is Kupo gear, loved by everyone.
I ran between the low level Kupo quests until
I finally made the full set! ~~~~~~~~~
And Kupo gear sounds aw, I really like them
themselves too. They're so beautiful..

I am just a lonely MDS, and I don't really
have any Hunter friends, so I'm mainly
just questing with my fellow friend.
But, when in combat, I yell a little too much,
but it's OK like "GAAAA" or "GAAAA" and so
on, even to me it's too loud.

The last subject is grinding.
I use a great sword, but I haven't been
able to grind even once...
The latest thing I learned was
the delay. It's fun, so
it's so fun that it's dangerous,
this game is...

WUJIN MUJIE TO FAN WOXIAOZHU JUE WOOJIA JIOWU

It was different and free again,
...but I'm sorry it isn't my easy handwriting... (sigh)
A girl who was turned down, but is also full of ongoing affection.

■ It's the same girl couple you saw in the color pages already! Drawing them was somehow very fun. ♡♡♡
I wonder if I like her more...
Well, it's probably just because I like cute couples, really...
I don't really care for 3D couples though (laugh)

■ Why am I writing on such small manga anyway, you ask?
I got the idea from doujin manga, I guess, does it remind you of doujin manga? (laugh)

■ Right. "Tsuntsuki nation"...
It means "going through endless summer (pink nation) step-by-step (tsuntsuki)"...
Oh, that's right, it's a pun!!
It's good enough to blow up your face away (tsun as tsuntsuki)!!

■ First I was going to draw only original stuff, but then Mariko managed to make it somehow, and then I didn't manage to picture Matsuo I even though I planned to. Shunji is cute!!!
I want Mariko's cat pencil! ♡

SMASH!

What the heck are you doing to my kaul?

MONSTER HUNTER G

■ more Hunter.

Here I'll introduce the very few friends I have.

■ first there is yochimic.

We're about the same level, so we always end up helping each other out.

The time we captured a Kazeu was amazing, huh? (laugh)

I always feel my comrade's admiring gaze when I yell things like that while playing.

...or so I like to think.

Awed,
I hate this!
I hate
Pierced!
I hate
ind!

Seems to hate running and being underwater →

When did you have the time to do that?

I set a trap here!

yochimic

Like Dark Sundry, better Phoenix

includes include carrying eggs

A Hunter at quickly laying traps.
But a Hunter at throwing stick bombs.

yochimic always takes hunting seriously, so I don't have too many jokes...

CLANG CLANG

■ Lily-san

A wandering monster hunter I rarely ran across, whose HP has risen way above (Lemon's) since I saw her last. (laugh)
She's incredibly trustworthy ♪

Are you still going to Pakee farm? You're kind of slow.

lily

A suited lady who likes (Lemon's) CD.

Helps include attaching her friends.

...I don't really know so that many friends, do I? Please and thank, just for me if you want to play!

Oh, really?

We managed to beat a Rathward!

Look at this, its color is turning white!

Oh, come on...

Psych! lol

Group Battle 10

I can't help you if you're that far away!

She still looks coming into the Tigris. That's what I was about last I want to be with like last!

■■■■OHAAH, TIME'S UP! SO I HAVE TO WRITE THE REST WITH MY PC. I'LL HAVE TO EXPLAIN THE AMAGA BEGINNING ON THE NEXT PAGE A LITTLE. IT'S LIKE EVERY OTHER ORIGINAL MANGA I'VE DONE IN MY POLUNISH, WITH THE STORY BEING ABOUT THE GIRL IN THE COVER, BUT I ALSO INCLUDED THE GIRL WITH THE BROKEN HEART FROM ONE OF THE COLOR PAGES. WHEN I DRAW THE COLOR PAGE, SHE WAS SUPPOSED TO BE AROUND COLLEGE AGE, BUT THAT MIGHT'VE CHANGED A LITTLE IN THE MANGA. PLEASE IGNORE THAT.

■■■■SINCE I DRAW MANGA PROFESSIONALLY, I WANTED MY POLUNISH TO HAVE A LITTLE BIT OF A ROUGHER TOUCH TO THEM, BUT I KIND OF REALIZED I DON'T REALLY KNOW HOW TO DO THAT, SO THE AMAGA ENDED UP LIKE THIS... IT'S A LOT MORE SHARPY COMPARED TO MY OFFICIAL WORK, IT'S BASICALLY HALF-DONE UHH... DEAR READERS, DO YOU PREFER THE DRAWINGS IN POLUNISH TO BE ROUGHER, OR DO YOU WANT THEM TO BE PROPERLY INKED? PLEASE LET ME HEAR YOUR OPINION! ♪

■■■■THAT CAT YOU SEE BELOW IS A FELINE COMRADE FROM HONKUN. I DREW IT WITHOUT ANY REFERENCE MATERIAL, AND PERSONALLY I THOUGHT IT WAS PRETTY CLOSE TO THE REAL THING, BUT WHEN I SENT A PICTURE OF IT TO MATSUKI, SHE SAID THAT THEY SMELL THAT SHISHIRO KAI!... DRAWING A FELINE AND THEN GETTING TOLD THAT IT'S SHISHIRO KAI... I MUST BE THE FIRST PERSON IN THE WORLD TO HAVE BEEN TOLD THAT... AND BESIDES, DO ANY OF YOU KIDS EVEN KNOW WHO SHISHIRO KAI IS...? (LAUGH)

■■■■I USED TO GAME A LOT WHEN I WAS YOUNGER, BUT NOWADAYS IT'S ALL JUST AIONUM OR MINESHEEPER. (LAUGH) BY THE WAY, MY HIGHSCORE IN THE HARDEST DIFFICULTY LEVEL ON MINESHEEPER IS 77 SECONDS! ...I DON'T HAVE ANYONE TO COMPARE IT WITH, SO I CAN'T REALLY SAY IF IT'S SLOW OR FAST (GHEAT) PERSONALLY, I THINK IT'S SUPER FAST! ■■■■ THE THEME FOR THE MANGA THIS TIME WAS "UNHEARTED LOVE". I THINK THAT SCENARIO IS PROBABLY A LITTLE BIT UNRELIABLE IN REALITY, BUT THAT'S EXACTLY WHY IT WORKS IN MANGA! OR AT LEAST THAT'S MY REASONING BEHIND IT.

■■■■ THE PICTURE ON LEFT IS FOR THE FREE GIVEAWAY DESKMAT I'VE PLANNED FOR THIS EVENT. THERE'S PLANS FOR UPLOADING A COLOR PICTURE TO THE HOMEPAGE, SO PLEASE CHECK IT OUT~!
